The Gertrude McFarland Scholarship is administered by the Women's Guild of Christ Episcopal Church in Warrensburg Missouri in memory of a faithful and loyal member of the church who was actively involved in many parish roles for decades. Upon her death in 1968 Miss McFarland left the Women's Guild a generous bequest establishing a memorial fund to finance annual scholarships for college students.

Preference will be given to communicants of Christ Episcopal Church and then to Johnson County, Missouri, residents who are Episcopalians or Lutherans (ELCA). The scholarship is available for study at a college, university, vocational school or seminary. Recipients may apply for a second award, but preference will be given to first time applicants. The minimum award will be \$300. **Applications are due in the Christ Episcopal Church office by 1 April 2009.**
